

Rogério R. Rezende

Roger Rezende is a Brazilian born Canadian, Co-Founder and Managing Partner of Wise Tree Solutions, Inc., a company specializing in consulting for capitalization within Brazil. Mr. Rezende's experience and strengths in finance, operations and strategic management provides the foundation for Wise Tree Solutions' success in connecting Brazil to the world. Prior to forming Wise Tree solutions, Mr. Rezende held Financial Executive positions with world's leading international corporations as well as mid market companies both in North and South America.

Mr. Rezende currently serves as one of the directors for organizations such as: World Trade Center Orlando WTCO, Special Olympics Florida and Project Development International for the Region of Brazil (entity sponsored by USCID and World Bank). Mr. Rezende has been involved with humanitarian organizations such as Kid's in Need Foundation, and humanitarian aid programs in Cuba and Africa, Stetson alumni Rollins College alumni and NASHIMBA. These non profit efforts has given him a passion to do more than produce profits but reach out to the less fortunate.

As an energetic, multinational executive Mr. Rezende has a proven track record for problem solving and implementation of sound financial business "systems" resulting in greater profits in spite of the financial down turn worldwide. With international business experience, finance and operational know-how, team development skills as well as a successful international acquisition track record, Mr. Rezende continually adds value to the organizations and teams in which he manages.

Mr. Rezende is fluent in English, Portuguese, Spanish, and Italian. He is currently working on French as a fifth language.

Other notable assets of Mr. Rezende:

- Global expertise in integrating technology, innovation and creativity (US/CAN GAPP to IFRS Conversion)
- Proven record of achievement in multidisciplinary environments with in depth pre IPO due diligence experience
- Natural ability to interface with individuals across all backgrounds and cultures.
- Strong work ethic, commitment to excellence and outstanding track record.
- International M&A experience in Brazil, USA, Canada, Italy and Mexico
- Brazilian and Canadian Residency
